!

Write the number of the figure which will come next in the series

Which choices mention the two letters which will come next in the following series in the correct order

A C F J

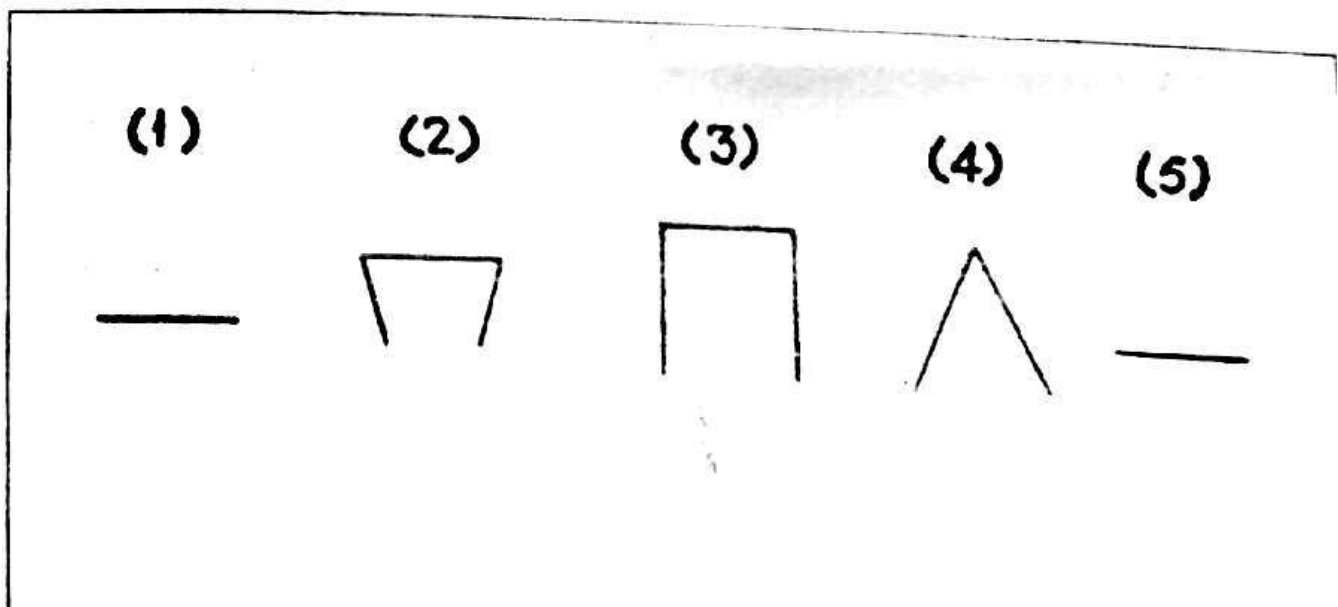

(1) U

(2) I

(3) O

(4) T

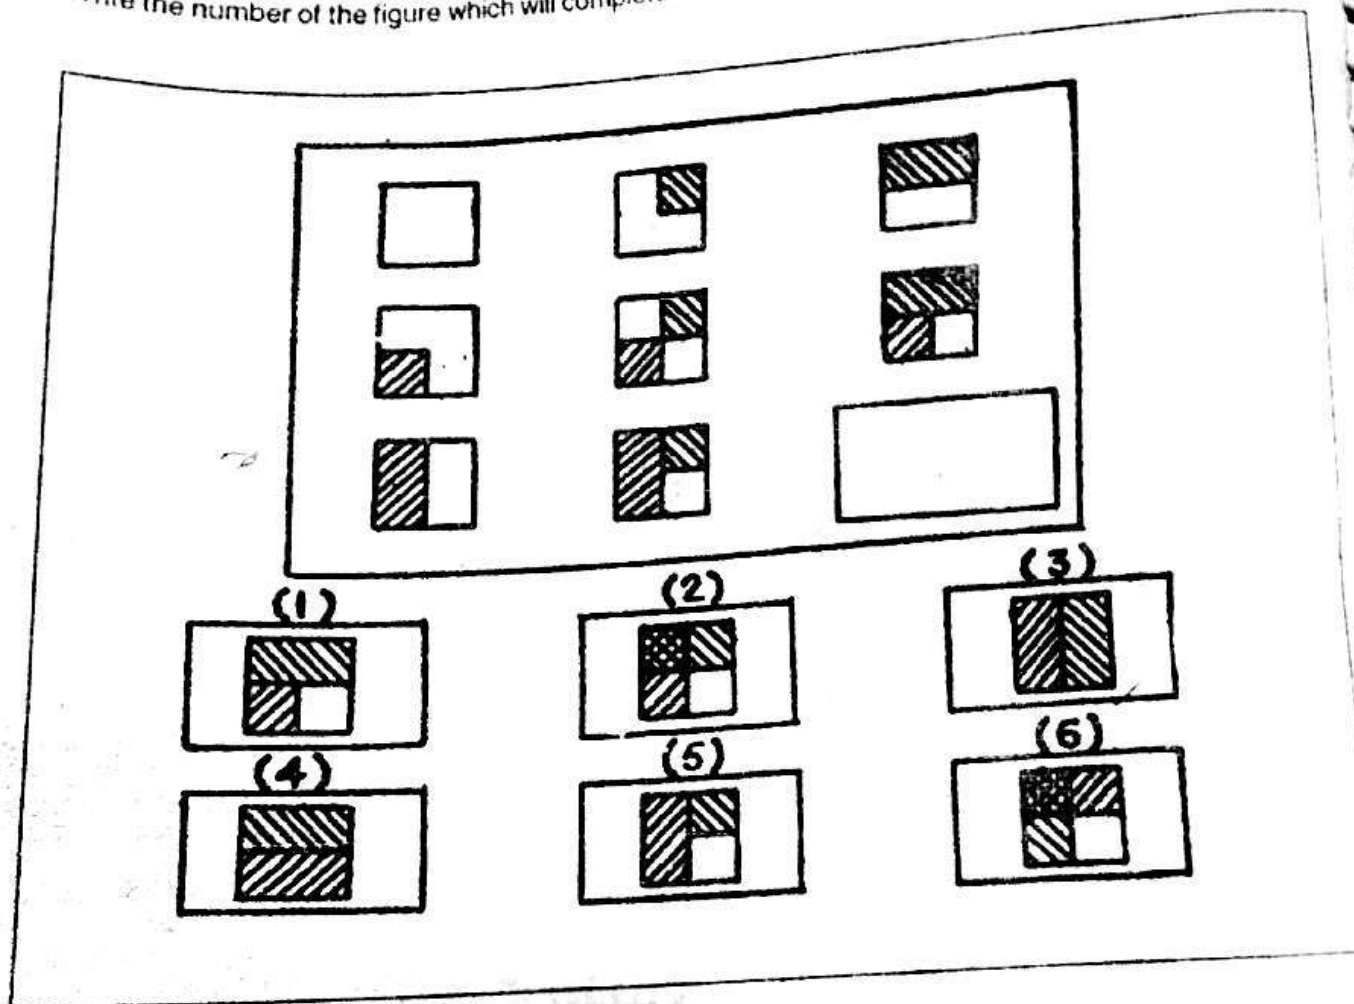

Write the number of the figure which does not belong to the same class as the others

9. Write the number of the word which does not belong to the same class as the others.

- (1) Goat (2) Horse (3) Mule (4) Donkey (5) Camel

10. Write the number of the figure which will complete the design

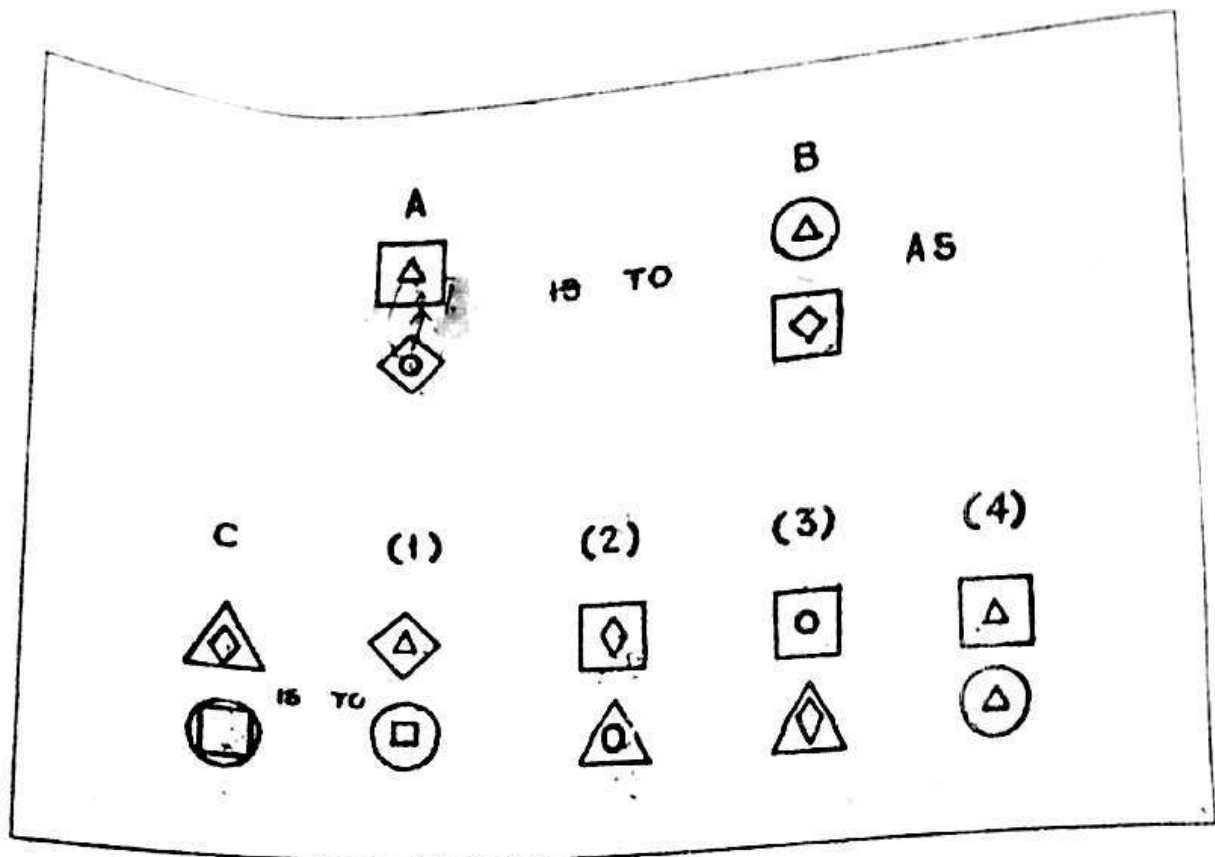

11. Which choice mentions the last letter of the rearranged word from the following jumbled spelling?

N E F I A C N

- (1) N (2) E (3) C (4) A

Figure A is related to Figure B in the same way as Figure C is related to Figure D. Figure C has the same relation with one of the four choices given. Write the number of the correct choice.

23. I drove South for three kilometers, turned to my left and drove East for two kilometers, then turned to my left again and drove three kilometers and to my left again and drove one kilometer. Which choice mentions the distance from my starting point to the place where I stopped?

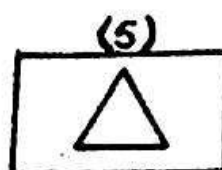

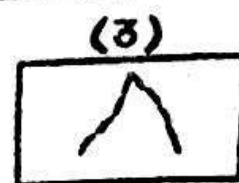

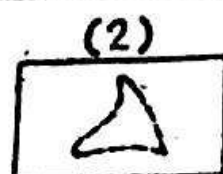

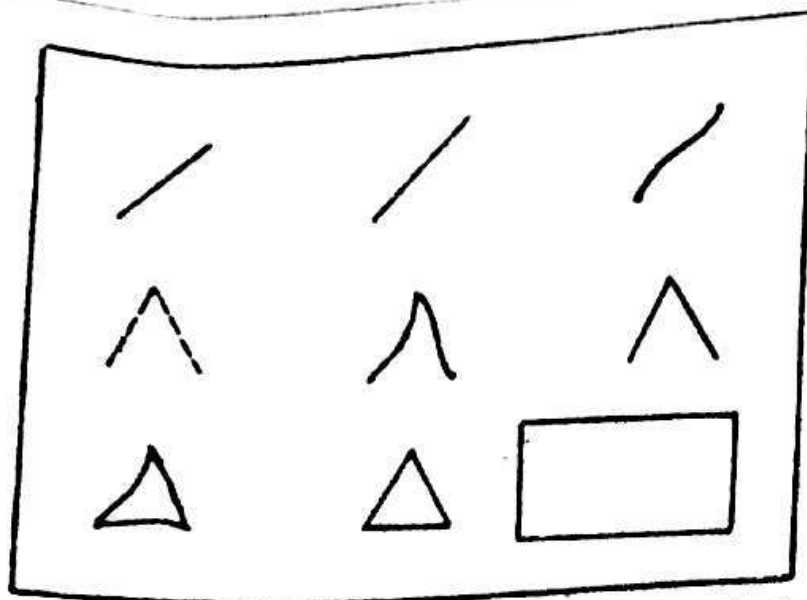

(1) $\frac{1}{2}$ Kilometer

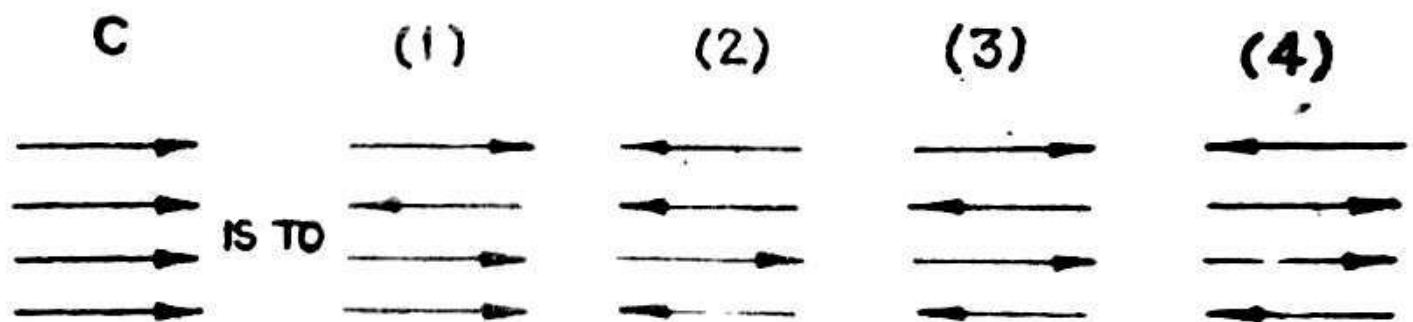

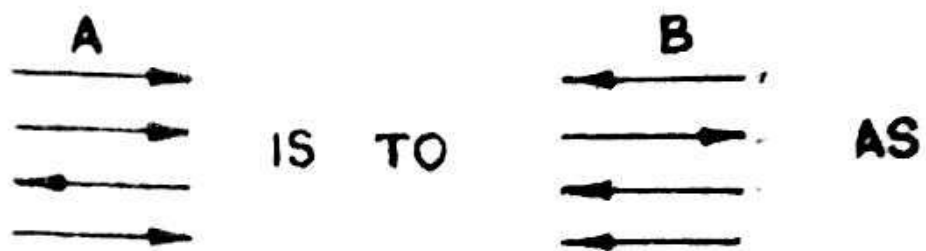

(2) 1 Kilometer

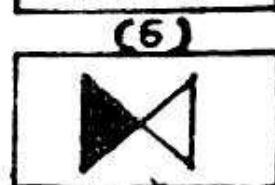

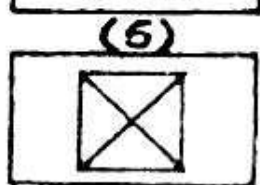

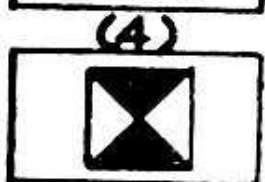

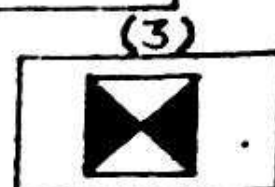

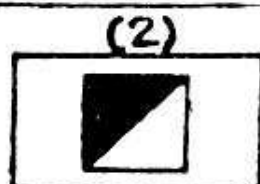

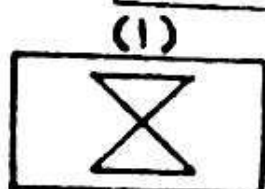

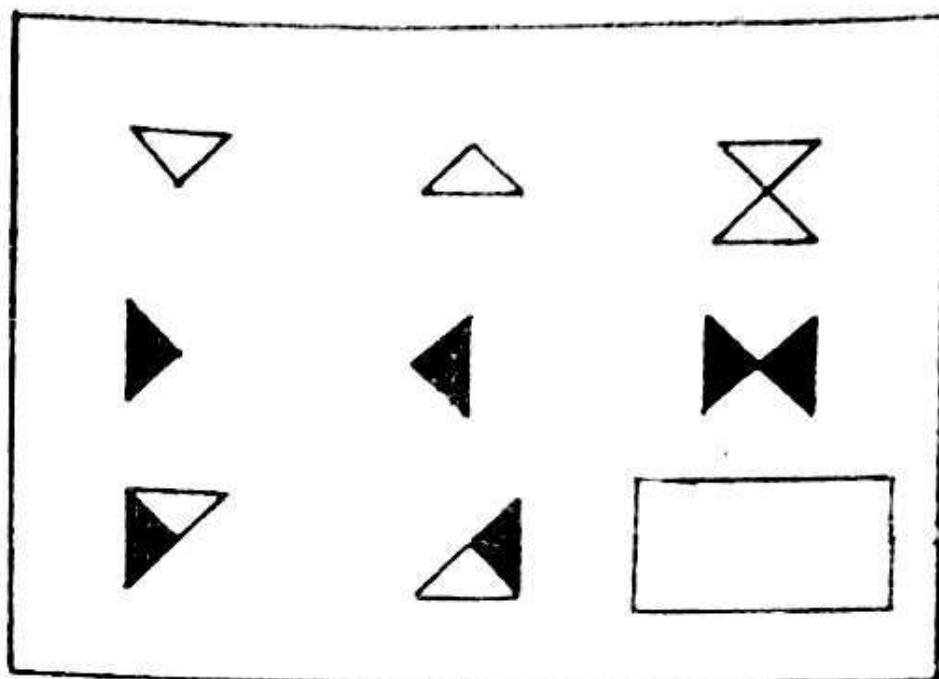

(3) 2 Kilometers

(4) 3 Kilometers

Write the number of the figure which will complete the design.

(1)

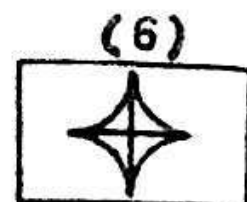

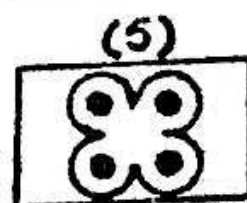

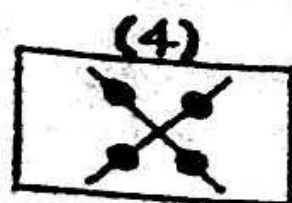

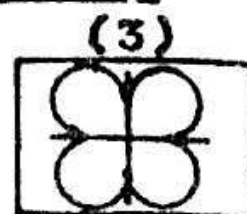

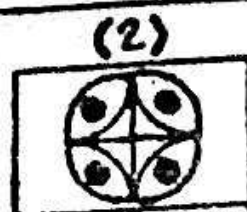

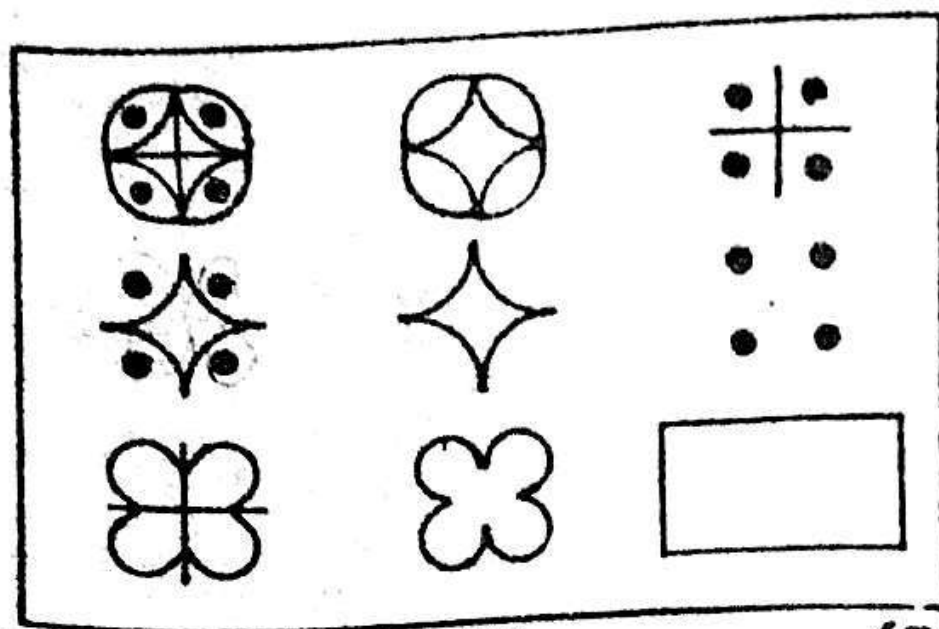

(2)

(3)

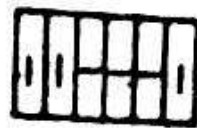

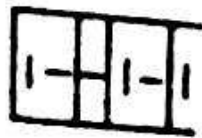

(4)

(5)

Write the number of the figure which will come next in the series.

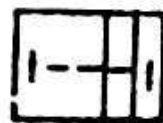

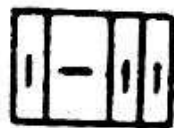

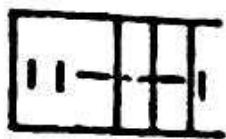

(1)

(2)

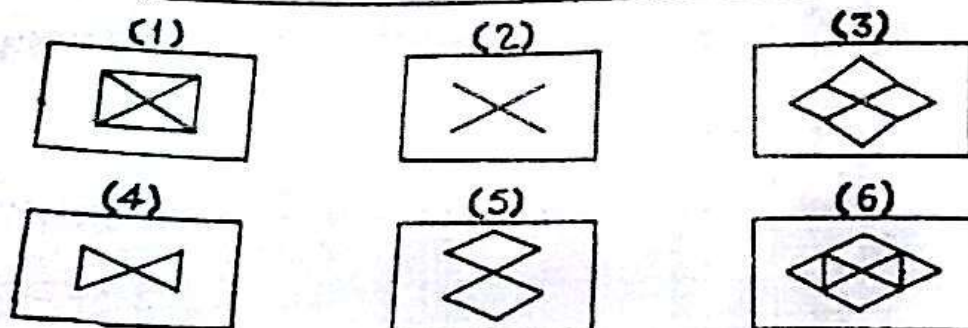

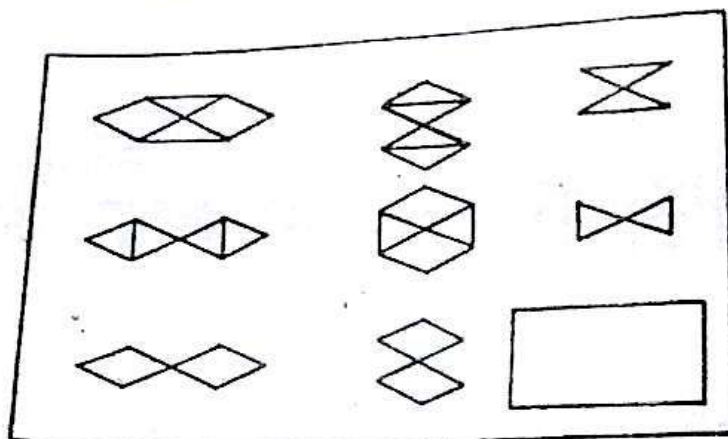

(3)

(4)

(5)

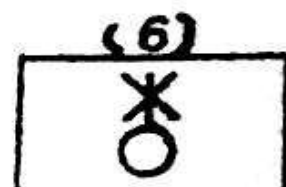

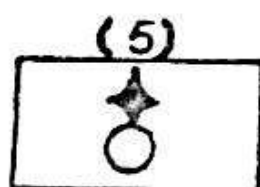

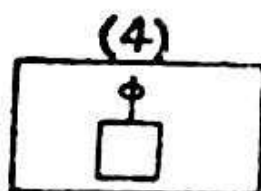

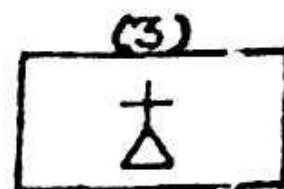

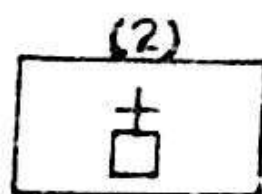

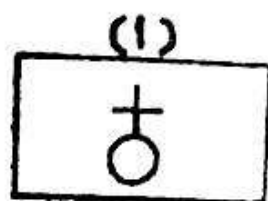

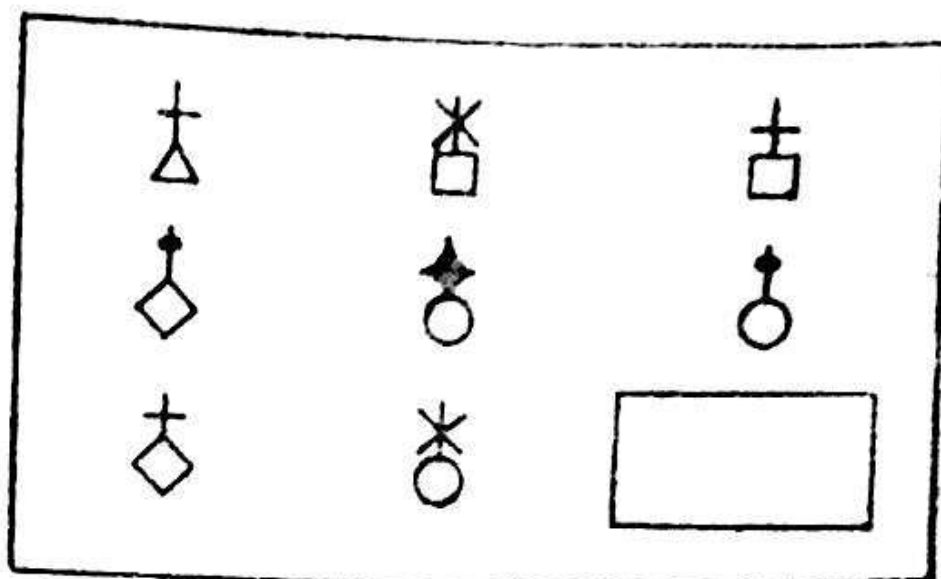

Write the number of the figure which will complete the series.

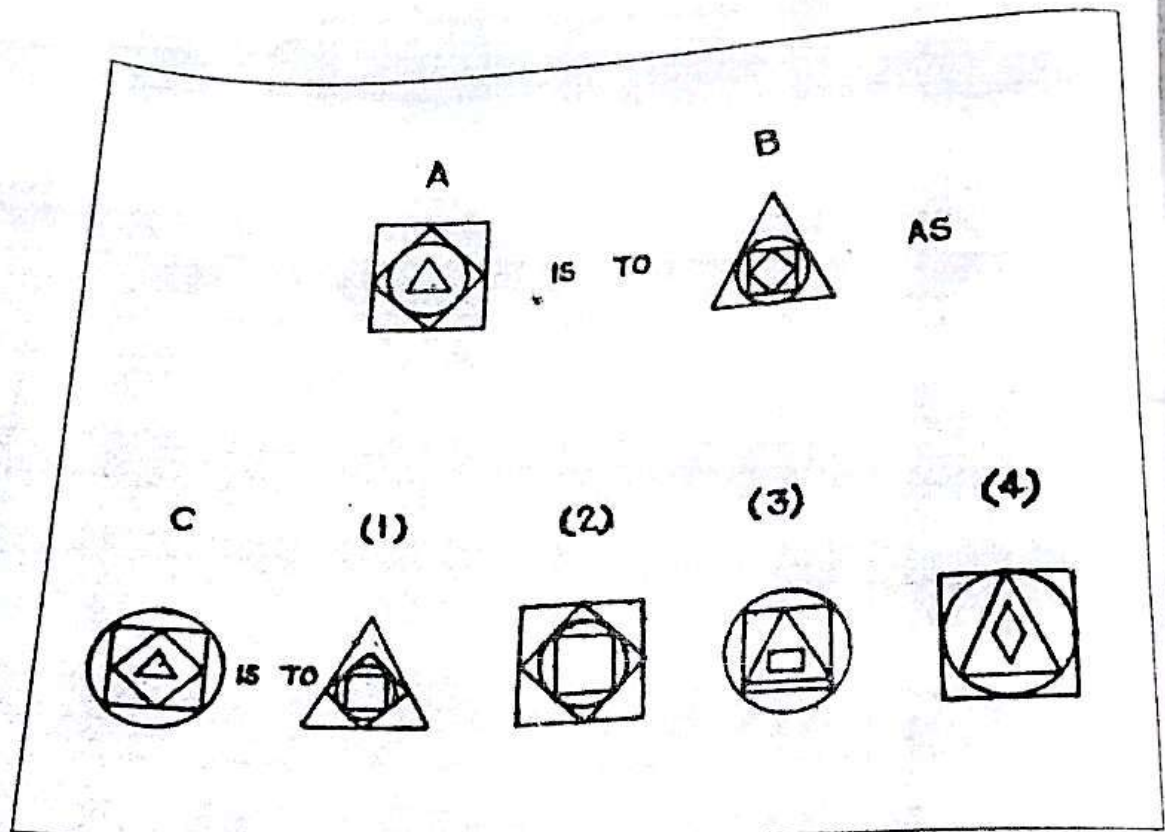

35. If UQP means 'SON', HGCT means ———.

- (1) HEAR (2) FEAR (3) FEAT (4) JEST (5) FEEL

Write the number of the figure which will complete the series.

48. Figures A and B are related. Figure C has the same relation with one of the four choices. Write the number of the correct choice.

49. Which choices mention the two letters which come next in the following series in the correct order

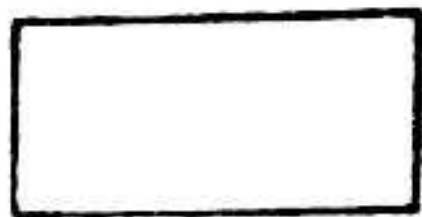

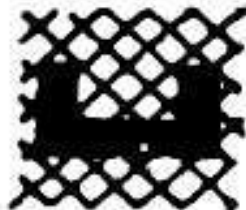

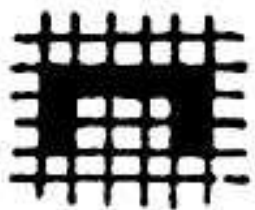

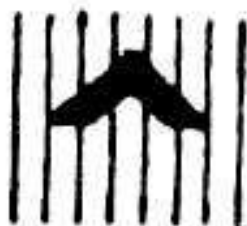

A - A O B B O C C O D D O

(1) E

(2) O

(3) F

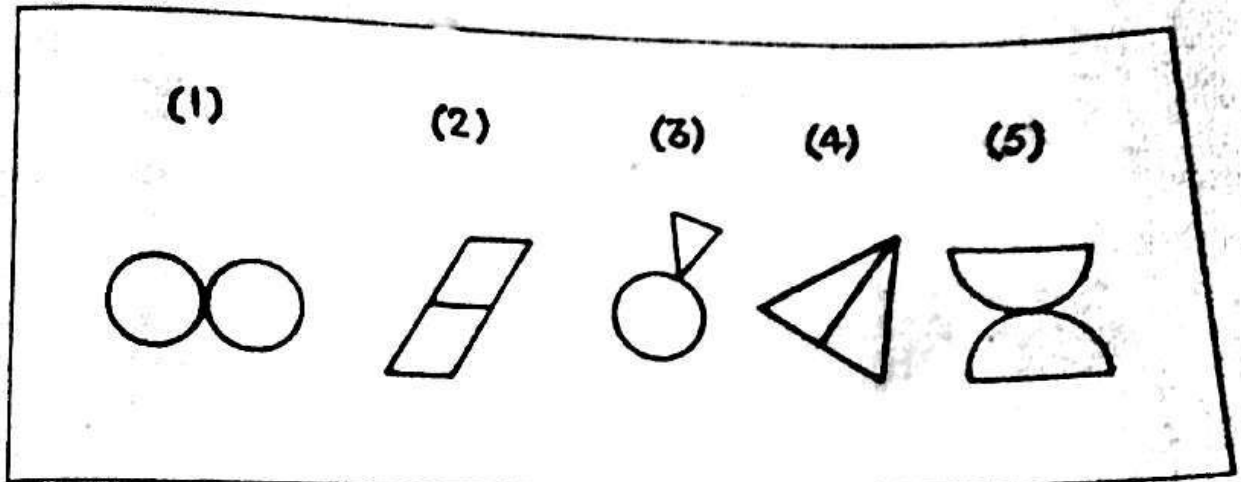

(4) E

45. Write the last letter of the rearranged word

E C E N I is a relation

46. Write the number of the figure which does not belong to the same class as the others

47. Write the number of the word which does not belong to the same class as the others

(1) Tiger

(2) Lamb

(3) Lion

(4) Wolf

(5) Leopard
